Experienced Software Developer Position

Alternative Solutions, Inc. is currently seeking qualified candidates for an experienced Software Developer position in our Sheboygan Falls office. In this position, you will be involved with developing, testing, and supporting our customers' insurance applications using a variety of languages and frameworks, primarily in the Microsoft technology stack. Daily tasks include, but are not limited to, developing new software, supporting existing applications, mentoring team members, providing exceptional service to foster long-term customer relationships, and working effectively within a team and/or independent setting. The ability to bring creative ideas to the table and to lead by example is required. Please note - this position requires working onsite in our Sheboygan Falls office. Limited business travel may also be necessary.

The ideal candidate will have the following skills and experience:

- Bachelor's degree in computer science or related degree
- At least 5+ years of experience in the Microsoft technology stack
- Extensive knowledge of the software development life cycle
- Strong understanding of object-oriented programming and design principles
- Strong understanding of the .Net Framework (4.5 and higher)
- Proficient in SQL Server 2012 and above, including T-SQL, stored procedures, and SSIS packages
- Proficient in VB.NET, JavaScript, HTML, CSS; C# and/or MVC experience is a plus
- Exceptional knowledge of relational database design; Oracle experience is a plus
- Experience with SOAP and Restful Web Services is a plus
- A keen eye for identifying and resolving technical problems
- Effective oral and written communication and organizational skills
- Ability to prioritize, manage and balance multiple projects, tasks, and mentor junior developers
- Data warehouse and/or reporting experience is a plus

ASI offers the following comprehensive benefits:

- Medical, Dental & Vision
- Company paid life and disability
- 401(k) with company match and profit sharing
- Paid holidays and vacations
- Flexible work from home policy
- On-site fitness facility
- Business casual work environment
- Continuing education reimbursement

If you wish to expand your career with a dedicated group of IT professionals, we want to hear from you! Please email your resume to: careers@asiwi.com
